REWILDING THE LOST WILDERNESS

Garden Route Game Lodge is the realisation of a dream come true for owners, the Doherty and Apteker families. Started in 1999, Garden Route Game Lodge became the first private game reserve in the Western Cape and Garden Route region to offer big game viewing safaris.

The game reserve started as an ambitious project to restore an area of old farmland and stock it with wildlife that had previously occurred there. Over the years, the reserve has expanded by incorporating neighbouring farm lands and in doing so creating much needed habitat for wildlife.

From humble beginnings Garden Route Game Lodge now provides employment for many families in the local community and has become a favourite Safari destination among local and foreign travellers.

We welcome you to our restaurant, Serengeti's from the Maasai word meaning "open spaces", where our food philosophy is to use seasonal produce from our own farm or from nearby farmers. Natural, fresh ingredients are sourced and creatively combined with Cape flavours and the herbs of indigenous fynbos to create nourishing, healthy, delicious, home style - comfort food.
