WINE LIST

OUR STORY

REWILDING THE LOST WILDERNESS

The Garden Route Game Lodge is the realisation of a dream come true for owners, the Doherty and Apteker families. Started in 1999, Garden Route Game Lodge became the first private game reserve in the Western Cape and Garden Route region to offer big game viewing safaris.

The game reserve started as an ambitious project to restore an area of old farm land and stock it with wildlife that previously occurred here. Over the years, the reserve has expanded by incorporating neighbouring farm lands and in doing so creating much needed habitat for wildlife.

From humble beginnings Garden Route Game Lodge now provides employment for many families in the local community and has become a favourite Safari destination among local and foreign travelers.

We welcome you to our restaurant, Serengeti's from the Maasai word meaning "open spaces", where our food philosophy is to use seasonal produce from our own farm or from nearby farmers. Natural, fresh ingredients are sourced and creatively combined with Cape flavours and herbs of indigenous Fynbos to create nourishing, healthy, delicious, home style comfort-food.

Our wine list is a careful selection to showcase the best of South African wines, handpicked by our Food & Beverage Manager Madré Niehaus and Executive Chef Ronel Breytenbach, to be enjoyed with the type of food we love to serve. We offer ample by the glass choices to allow you to sample more than one wine. Whether you are new to wine drinking or a serious oenophile - a connoisseur of wines -, our wine list offers something for every palate and occasion, from easy drinking wines to be enjoyed on its own to the more complex.

Stellenbosh 

Platter: ★★★★★

Winemaker: Arlene Mains

Seriously Old Dirt 2023 flaunts a deep ruby colour. This predominantly Cabernet Sauvignon blend emanates a richness of black mulberry, muddled baked cherry and plum, and as the wine lingers in the glass it opens to subtle spice aromas of clove and star anise alongside a graphite undertone and friendly floral aromas. Soft silky tannins of the wine allow it to have a smooth entry on the palate and fills the mid-palate with the plushness of the fruit sweetness, feeling the concentration of the wine as well as balance between weight and acidity. The concentration and depth of this wine, despite being a medium-bodied wine, will grant you the pleasure of immediate enjoyment or delayed delight upon aging.
